## **DECLARATION OF PERFORMANCE**

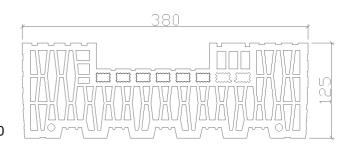

DoP Nr. 827 rev. 7

# **HELUZ FAMILY 38-K-1/2 grinded**

1. Unique identification code of the product-type: 27386.20

#### 2. Intended use:

for protected load-bearing, single-layer thermally insulated walls

The grawing is indicative and may be modified slightly

#### 3. Manufacturer

HELUZ cihlářský průmysl a.s. , U Cihelny 295, CZ 373 65 Dolní Bukovsko IČ: 46680004 Factory: Hevlín I.

- 5. System of assessment and verification of constancy of performance of the construction product: System 2+
- 6a. Harmonised standard: EN 771-1:2011+A1:2015; Notified body/ies: 1020 TZÚS Praha, s.p.

### 7. Declared performance:

| Essential characteristic   |              |                  |                                 |                    | Performance             |               | Harmonized technical specification |
|--|--------------|------------------|---------------------------------|--------------------|-------------------------|---------------|------------------------------------|
| Work dimensions  |              |                  | Category of tolerance           |                    | Range category          |               | EN 771-1:2011+A1:2015              |
| Length:  | <b>125</b> n | mm               | T2+                             | ±3                 | R2+                     | 3             |                                    |
| Width:   | <b>380</b> n | nm               | T2+                             | ±5                 | R2+                     | 6             |                                    |
| Height:  | <b>249</b> r | mm               | Tm 0,4                          | ±0,4               | R2+                     | 1             |                                    |

| Water absorption   |              |                  |                                 |                    | Not to be left exposed! |               |                                    |
| Direct airborne sound insulation   |              |                  | wall with the both side plaster |                    | NPD                     | dB            |                                    |
| Group of masonry units  Vertically perforated element with a group 3 in accordance with EN 199 |              |                  |                                 |                    |                         |               |                                    |

<sup>\*</sup> Test according to EN 772-1, treating compressed areas according to article 7.2.4 and conditioning according to article 7.3.2. A single strength value is not less than 0.8 times of the declared compressive strength.

| Essential characteristic                   |                             | Performance |      | Harmonized technical specification |
|--|-----------------------------|-------------|------|------------------------------------|
| Water vapor permeability                   | Diffusion resistance factor | 5/10        |      | EN 1745:2021                       |
| Thermal conductivity λ <sub>10,dry</sub> , | Method NPD                  | NPD         | W/mK | EN 1745:2021                       |
| Durability against freeze-thaw             | Not to be left exposed!     | NPD (F0)    |      | EN 771-1:2011+A1:2015              |
| Hazardous substances                       |                             |             |      |                                    |

## Next characteristics Acoustic brick

| The minimum thickness of the face side shells is and of the perpend shell is | NPD<br>NPD | mm<br>mm        |
|--|------------|-----------------|
| The minimum thickness of the webs is   | NPD        | mm              |
| Percentage of voids is   | 55         | %               |
| Minimum area for concrete infill canal is and its smallest dimension         | NPD<br>NPD | mm <sup>2</sup> |
| The average volume of the recess (mortar pockets) is                         | NPD        | ml              |
| Percentage of grip hole is   | NPD        | %               |

The performance of the product identified above is in conformity with the set of declared performance/s. This declaration of performance is issued, in accordance with Regulation (EU) No 305/2011, under the sole responsibility of the manufacturer

Signed for and on behalf of the manufacturer by:
